

A Worksession was held August 2, 2010 at the municipal building and called to order at 7:30 PM.

Harry Rodgers, Larry Sterner, Tim Hansen, Jay Little, Norma Markle, Cleo Wildasin, Larry Rohrbaugh, Judy Tessem, Brita Raubenstine and Sherry Thompson were present.

Cleo Wildasin discussed concerns with the Zoning Ordinance update. He is concerned if a legal planning committee has been formed and if the terms of the Planning Commission members are correct. The Supervisors stated they will have Steve McKonly review Cleo's concerns and Steve will respond in writing.

Sherry Thompson informed the Supervisors that the Spring Grove Area School District is trying to eliminate the tax collectors and collect the school tax themselves. According to the Township Code the Tax Collector shall collect the Township, County and School taxes for their district, so Sherry will continue to collect the school taxes for 40 cents per bill. It was suggested speaking to Seth Grove about this. The Board will ask Steve to draw up a letter that will state the Supervisors of Heidelberg Township disagree with what the school district is doing.

Other item discussed was the Jake Brake Ordinance.

Meeting adjourned at 9:03 PM.
