

The March 1, 2006 meeting of the Heidelberg Township Supervisors was called to order at 7:30 PM, by Chairman Harry Rodgers and was held at the municipal building.

Members present were Harry Rodgers, Larry Sterner, Tim Hansen, Steve McKonly, John Leen and Norma Markle.

Others present were Bill Brough, Bruce Jones, Lucas Parks, Bill Gromen, and Scott Rabenstine.

Minutes of the February meetings were approved as distributed.

Bruce Jones informed the Board that York County Conservation District inspected the Park last month and is requiring a few minor items to be completed for final inspection approval. The electrical service to the pavillion is being completed. A work day for field preparation is Saturday March 11, 2006 at which time the dimond-tex will be spread onto the field.

A Special Meeting was held February 10, 2006 to make a technical correction to the 2006 Budget. The millage rate was lowered to 1.2 mills from 1.5 mills due to York Counties reassessment.

Norma Markle read the Planning Commission report.

Scott Rabenstine read the Fire Report. The Department responded to 25 calls in February. The annual Awards Banquet will be held March 25, 2006.

Norma Markle read the Zoning Officers report. There were 7 permits issued for \$ 262.00 revenue.

John Leen reported that Tim Sterner is interested in processing spring water from the home which lies in an Agricultural District. He was told he will need to submit a Land Development Plan. John also stated the E & S Plan has been submitted for the Recreation Park.

Steve McKonly stated he received a request from an attorney representing the Haar's requesting a 90 day extension for the Laurel Summit II Plan. Steve explained that at the February meeting the Board denied the plan and feels the Board is not in favor of recending it's vote at this time. A new plan will need to be submitted.

Larry Sterner made a motion to adopt RESOLUTION 06-04 to set a fee for rezoning a parcel of ground within the Township at \$ 600.00. Tim Hansen seconded and Harry Rodgers concurred. This is per Dr. Prin's request, to cover the legal and advertising fees. This would not involve the Brough request.

Larry Sterner stated he is getting quotes for a new lawn tractor and bids for various road materials and gasoline will be opened at the April 5, 2006 meeting.

Norma Markle read the Treasures Report.
