

The May 4, 2011 meeting of the Heidelberg Township Board of Supervisors was held at the municipal building and called to order at 7:30 PM by Chairman Tim Hansen.

Tim Hansen, Larry Sterner, Steve McKonly, John Leen, Jay Little and Norma Markle were present.

Others present were Tom Feninez, Adam Smith, Paul Hilbert, Bob and Sandi Stine, Chief Bean, Andrew & Aaron Gunarich, Jill & Connor Reed and Derrick & Clayton Baker.

Minutes of the May meeting were approved as distributed.

Chief Bean reviewed the March 2011 Police Report. The Department responded to 59 calls within the township. The annual Police Memorial/Awards Ceremony will be Wednesday May 11, 2011 at 6:30 PM at which time a plaque will be presented in honor of Harry Rodger's for his service to the Police Board.

Tom Feninez stated the Fish Unlimited Chapter would like to thank the road crew for taking care of the garbage that was cleaned out of the creek. The grant applications have been sent to DCNR and DEP.

Bob and Sandi Stine of 6327 Straw Acres stated they have water drainage problems and feels something needs to be done. They have maintained this area for 23 years and feel there needs to be a ditch or something to help this water drain, there are also the stones from tar & chipping and from cindering that now have run into their driveway. This right-of-way is owned by Bren & Glenda Kindeslperger. Larry Sterner and John Leen will check into this. There was also a question as to what is being done on Porters Road. There is base repair and widening project that Penn DOT is working on.

Andy Gunarich of the Spring Grove Little League stated as a member of this organization he is sorry for the damage done to the Township building by 3 of the boys from the league. After a practice the boys were on top of the hill behind the building and were checking to see if they could move one of the concrete pipes, which they did and it rolled down the hill and hit the rear of the building causing around \$7,000.00 in damage. Aaron Gunarich stated he was sorry for the damage they caused to the building. Conner Read stated he was sorry and learned he should have more respect for others property. Clayton Baker stated he was sorry and would think about things before acting and apologized to the Board. The Board accepted their apologies and told them it took a lot of courage for them to come here tonight.

Norma Markle read the Planning Commission report.

Jay Little read the Zoning Officers report. There was \$819.00 revenue for the month. There will be a Zoning Hearing on May 25, 2011 for Fetchin Sticks on Hoff Road for a kennel.

John Leen stated he visited the Smith property at 963 Hill Top Drive prior to the meeting concerning water issues. John also reviewed a letter received from Penn DOT concerning a safety study at Cannery Road and Yingling Drive and also Hoff and Smith Station Roads. The Board requested that John follow up with another letter, because it is very difficult for cars to see to pull out at these intersections. Paul Hilbert suggested that John check the sight distance before they write this letter.

Steve McKonly stated he will need a copy of the deeds for the proposed Wildasin/Hartman plan on Hoff Road before this plan can be signed. Steve is also advertising the changes made for the Jake Brake Ordinance.

The Audit was received from the Porters Community Fire Company.

Norma Markle read the Treasures Report.
