The Heidelberg Township Board of Supervisors meeting was held September 7, 2005 at the municipal building and called to order at 7:30 PM, by Chairman Harry Rodgers.

Harry Rodgers, Larry Sterner, Tim Hansen, Steve McKonly, John Leen and Norma Markle were present.

Others present were Carson Joseph, Steven Kinley, Hardik Ghoudi, Brendon McCann, Bruce Jones, Scott Rabenstine, Kevin Amoss and Paul Hilbert.

Minutes of the August meetings were approved as distributed.

Bruce Jones reported that they are preparing to close the pond and complete this phase of the Rec Park. Would like to make a schedule for volunteers to help with maintaining the weeds around the park for next year.

Scott Kinley from Cingular Wireless would like to rent some land from the Township and install a cell town on the land behind the Township building. He showed graphs that indicate signal problems in the Route 116 area and is suggested installing a 180 ft. pole tower at this location. The Fire Chief did concur that the cell coverage is bad in the Porters area. Harry Rodgers stated the new Zoning amendment would allow a tower site in an Agricultural District with a Special Exception, but could not be more then 500 ft. from an adjoining property line. Cingular Wireless will come and study the lay-out of the property and present the Township with a proposal.

Norma Markle read the Planning Commission report.

Tim Hansen presented a 2 lot subdivision plan to add 7 acres of his parents land to his current parcel. There would be no new lots. Larry Sterner made a motion to approve this plan pending signatures from North Codorus Twp. Supervisors and a copy of an approved deed. Harry Rodgers and Tim Hansen abstained.

The Board accepted a letter of request for a 90 day extension of the Duracart plan.

Scott Rabenstine read the Fire Report. The department responded to 26 calls for the month.

Norma Markle read the Zoning Officers report. There was \$2,398.50 revenue for the month.

John Leen stated that application for CDBG loans for Subdivision and Land Development Ordinance and Sanitary Sewer Construction in Porters have been forwarded to York County Planning Commission.

Steve McKonly presented drafts of 2 Ordinances, one for deliquent taxes and one for collecting Earned Income Tax, action is expected to taken at the October meeting.

The Board discussed the proposed Second Amandment to the Articles-of-Agreement for the Southwestern Regional Police Board. This would amand the formula to Population (70%), Call Volume (25%) and Road Miles (5%). Larry Sterner made a motion to adopt <u>RESOLUTION 05-09</u> to adopt these changes. Tim Hansen seconded and Harry Rodgers concurred.

Larry Sterner stated the road crew has completed the tarring & chipping and next week H & H should get started with the black topping. Harry Rodgers commended the road crew for their work.

Tim Hansen stated the amendments to the Zoning Ordinance and the Agricultural District has been advertised to be adopted at a public hearing on September 15, 2005 at 7:30 PM.

A letter from Spring Grove Borough requesting the assistance of the Fire Police September 24, 2005 at the September Fest was reviewed. Tim Hansen made a motion to authorize this assistance, Larry Sterner seconded and Harry Rodgers concurred.

A copy of the proposed 2006 Budget for Southwestern Regional Police was reviewed and discussed. Some of the grant money will not be available next year and there is a 8.65% increase from 2005. The total for Heidelberg Township will be \$266,570.00. After a lengthy discussion Tim Hansen made a motion to adopt this budget, Larry Sterner seconded and Harry Rodgers concurred.

Carson Joseph stated that Hayrick Road could use some crusher waste and Sycamore could use some grading.
